for the following articles:

Knitted garments like T-shirts, pyjamas, night wears, skirts, tops, rompers, body suits made of 100 % cotton, cotton/elastane, in white, solid dyed, printed (pigment, reactive and discharge) as well as melange (cotton/viscose and cotton/polyester) in yarn dyed and finished with accessories (sewing and embroidery threads, woven and printed labels, elastic tapes, PES buttons, interlining, zippers and metal snap buttons); exclusively produced from material certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

**This authorisation is valid until 30.04.2013**
